PLACING YOUR ORDER

All of our meals are available to eat in or take away. We source local produce wherever possible & are proud to support our local farmers & businesses. Please take a look at our specials board for seasonal favorites.

When you are ready, please place your order at the bar, giving your table number. If you are eating in, you may run a tab for food and drink, paying at the end of your meal.

Not all ingredients are listed. Please ask a member of staff if you have any food related allergies or any special dietary requirements & we will do our best to help.

We can substitute any of the bread rolls that come with our meals with Gluten Free rolls if you prefer. Please let us know when you place your order. The (v) symbol indicates that the meal is suitable for vegetarians.

Food is freshly cooked to order & there may be a short wait during busy times. The bar staff can tell you roughly how long it will be from the point of order to when your meal will be served.
